2018 Bronze Medallion Camp

Sunday 9 December 2018 to Saturday 15 December 2018

The Bronze Medallion program allows participants to gain valuable lifesaving and personal development skills. It is a great way to meet new friends and catch up with old ones. At the end of the program participants will be awarded the Bronze Medallion, which allows holders to become part of the proud and professional team of Surf Lifesavers helping keep Apollo Bay's beaches safe.

What will I learn?

Over the 6 days participants will learn a variety of surf, first aid, resuscitation and rescue skills, as well as communication, teamwork and leadership skills, all whilst having a lot of fun!

When is it?

The Bronze Camp begins with a welcome and sign-in on Sunday 9 December at 4pm. Theory and practical sessions run from Monday to Thursday (including morning swim / runs), with organised activities in the evenings (including a beach volleyball tournament, guest speakers and movies). The program finishes with the assessment on Saturday 15 December. Participants and their families are invited to attend a presentation on Saturday lunch time to wrap up the week, commencing at 12pm. Participants must have a parent or guardian present on Saturday 15 December to collect them.

Where is it ?

The program is a live-in, residential camp at the Apollo Bay SLSC clubhouse. We can take a maximum of 10 male and 10 female participants, due to the space limitations of our newly-refurbished bunkrooms. There will be 24-hour adult supervision for the duration of the camp, and participants and their parents / guardians will be required to sign a code of conduct as part of the registration.
